Voters! Read and Judge for Yourself!

"I am not a Northern man; nor yet a Southern man; but I am a WESTERN MAN, by birth, by habit, by education; and although still a United States man, with United States principles, yet within and subordinate to the Constitution, we owe our allegiance to WESTERN INTERESTS." Speech of C. F. Vallandigham, in the House of Representatives, December 15, 1859.

"A house divided against itself cannot stand. I believe this Government cannot endure permanently half slave and half free. I do not expect the house to fall—but I do expect it will cease to be divided. It will become all one thing, or all the other. Either the opponents of slavery will arrest the further spread of it, and place it where the public mind shall rest in the belief that it is in course of ultimate extinction; or its advocates will push it forward till it shall become alike lawful in all the States—old as well as new, North as well as South." Abraham Lincoln in his speech at Springfield.

"He (Lincoln) is a radical Republican, and is FULLY COMMITTED to the doctrine of the 'irrepressible conflict.' In his debates with Douglas he comes fully up to the highest mark of Republicanism, and he is a man of will and nerve, and will not back down from his own assertions. He is not a compromise candidate by any means." The negro, *West*, Douglass paper, 25th May, 1860.

"I find the resolutions of the Convention [at Chicago] platform as satisfactory to me as if it had been framed with my own hands, and the candidates adopted by it, eminent and able Republicans, with whom I have cordially co-operated in maintaining the principles embodied in that excellent creed." Wm. H. Seward's letter to N. Y. Republican Committee.

"I rejoice that, although I am not nominated my favorite, and that they have so true and so faithful a representative in the coming contest as Abraham Lincoln, of Illinois. Gov. Chase's speech at the Columbus Ratification meeting.

"In disregarding this law (Fugitive Slave Law), the prisoners (Oberlin Rescuers) sin against the law of God, and they are delivered over to the colored men and consigned to the doom of pirates, which should have been speedily executed. Giddings to Oberlin Rescuers.

"I do not object to your giving utterance to your views. I only object to your representing them as the sentiments of the Republican party. I, as one of that party, desire the Fugitive Slave Law. I would stay any slave catcher who should pollute my residence to recapture a fugitive." Giddings to Tom Corwin.

"We would be glad to see the 'old War Horse' returned to Congress. Mr. Giddings is a man of fine talents, a wise and experienced Statesman, and a man of iron nerve. There is not a better Republican, nor a more honest man in the Union than old Joshua R. Giddings." Dayton Gazette, July 20, 1860.

We wish those persons who propose to pay their subscriptions to the Press in wood, would bring it along.

Citizens of Preble county, if you wish to vote against Abolitionism vote for T. J. S. Smith, for Supreme Judge.

Let every Democrat vote early and see that his neighbor does the same. Abolitionism must be defeated at this election.

The Democratic meeting, at Richmond on Tuesday last week, was well attended. The crowd was not as large, however, as we expected, owing to the fact that extensive preparations were being made to attend the grand mass meeting which came off at Indianapolis last Friday.

Levi Drury of Boston was on the ground with his chariot, drawn by thirty three horses, in which was seated sixty good looking ladies.

Stoves! Stoves!! We have examined the new and extensive stock of all kinds of stoves &c., &c., just received by Eckle & Cochran and we say without hesitation that it is the largest stock ever received at one time in this market. They have every description of stoves and at almost any price. They are good business men and are the very men that should be patronized. Give them a call when you want anything in their line and you can be accommodated on good terms.

German Voters.

Go to the polls early and see that every one of your number votes.—Be careful that you have a true ticket, see that none of your number are imposed upon by a fraudulent ticket. Vote for Vallandigham, vote for Thos. J. S. Smith.—Look out for bogus tickets. Watch for imported republican voters, challenge their votes and make them swear. Vote the entire People's ticket without dotting an i for crossing a t.

Attention.

We call the special attention of our readers to the article on our first page, headed, *The Happy Family*, it will richly pay perusal, let the paper be preserved, as the song and the sympathies, for old Brown will be denied by the authors before ten years from this day.

The Black Republican party is fast sinking into perdition. Let's sink them deeper still next Tuesday.

Every intelligent man or woman who is suffering from CONSUMPTION, or any disease of the Throat or Lungs, and wishes to find the best remedy, will be amply repaid for examining the certificates and statements of esteemed citizens, attesting the efficacy of Dr. Hall's BALSAM, a remedy which has the sanction of scientific men.

It should be known, for it is a fact strikingly true, that Dr. S. A. Weaver's Canker and Salt Rheum Syrup, together with the Cereate, never fails of giving satisfaction to all who give them a trial, for as yet they have never failed in a single instance of curing all Humors, such as Salt Rheum, Erysipelas and the like. In cases of this kind the fullest reliance may be placed upon these preparations.

SWEET WINE BITTERS.—It is the best Medicine ever used for Spring and Summer complaints. It has been more liberally patronized than any other ever established in this country. It is the same Richardson's Bitters which has restored so many invalids to health throughout the Northern States during the past thirty years. Read the following:

"How many worthless nostrums are offered for sale to the public. This fact is because there are some medicines of real merit and virtue, the demand for which is universal, and sale immense, which induces unprincipled men to try to palm off worthless preparations. But good remedies live long; Perry Davis' Vegetable Pain Killer is one of those remedies that every family will keep by them; no remedy has so universal a demand, it is sold by all respectable dealers in medicines.

Sold by J. P. BROOKINS & SON.

Dr. Roback's Remedies.

We publish in another column of to day's paper, an article copied from the Cincinnati Times, in which Dr. Roback's extensive medical establishment in that city. By the way, Dr. Roback's remedies have obtained a great and deserved popularity with all classes. It has been but a short time since these remedies were introduced into our section of country; yet Dr. Brennan, Dr. Roback's agent in this place, informs us that his sales of the Blood Pills, and Blood Purifier now far exceed those of all other medicines for which he is agent, combined. The reason for this, is, that they have stood the test of practical experience. We know this not only from the mouths of others, but we have used them in our own family with the very best results. For all diseases of the blood, general debility, whether proceeding from sickness or from natural weakness, indigestion, and all kindred ailments, we recommend the Scandinavian Remedies as the very best medicines extant. They are destined to achieve not an ephemeral success, but a permanent and deserved reputation, which will render them a necessity in every family. *Spokane, Co., North West*, March 24, 1860.

WONDERFUL DISCOVERY!!

The Lightning Calculator!!!

OR, THE SECRET OF RAPID AND ACCURATE COMPUTATION.

CONTAINING, also valuable information to Book Keepers.

THIS WONDERFUL SECRET enables the possessor to add up a column of figures, regardless of length, with surprising rapidity, therefore enabling him to ascertain the amount of a Bill of Sale page in the day-book, or a bill of account, &c., quicker than ever before done by any living person.

In the practice of book keeping by transferring whole columns from the Day-book to the Ledger, etc., will frequently be found that the sum total differs. It enables the book-keeper in such a case, to ascertain if the mistake has been made in the computation or the extension of single accounts.

This guide to rapid and accurate computation is printed in a neat form, and will be mailed to any address, upon receipt of 25 cents, with a red stamp to prepay postage.
